Dear Surgical Guest,

Welcome to Port Jefferson Surgery Center (PJSC). Please read the following for important information regarding your surgical procedure.

- Registration personnel from Port Jefferson Surgery Center will call to obtain your medical history and insurance information after your procedure has been scheduled. You may call directly at (631) 828-5555 if that is more convenient.
- Based on your medications and health history, diagnostic lab tests, X-rays and EKGs may need to be completed prior to your surgery. (These tests are not routinely performed on all surgical patients). After a review of your medical history by the nurse, you will be contacted with instructions regarding completing any identified tests.
- You will be going home on the same day as your surgery. **It is required that someone else drive you home.** If you are using public transportation to return home, you **must** have a responsible adult (18+ years old) to escort you home. It is **strongly suggested** someone stay with you until the following day.
- Call your surgeon's office if you develop a cold, sore throat, fever or any other illness that occurs within 48 hours of your surgery.
- **DIETARY RESTRICTIONS:**
Do not eat or drink anything after midnight the night before your surgery, unless the Pre-Op Nurse has provided special eating or drinking instructions. This includes no gum, hard candy, cough drops, coffee, tea or water. This is very important for your safety. If you do not follow these instructions, your procedure may be cancelled or delayed.

WHAT TO BRING:

- Port Jefferson Surgery Center patient packet.
- Your insurance card, a photo ID, and payment (if applicable)
- A case for contacts, glasses and dentures.
- Crutches if having knee or foot surgery – to check for proper fit and receive instructions for use.
- Any icing devices, slings, braces that have been provided to you for surgery.
- Leave ALL jewelry and valuables at home. PJSC is not responsible for valuables.
- Please do NOT wear makeup, deodorant, creams or lotions.
- Wear loose fitting comfortable clothes.
